- TIME TESTED S/E FORMULA DELIVERS MAXIMUM VALUE
- HIGH BUILD, DEEP GLOSS, RICH COLOR, FAST COVERAGE
- IDEAL FOR COMMERCIAL VEHICLES AND HEAVY EQUIPMENT
- EASY TO APPLY; SPRAY, ROLL OR BRUSH ON
- NATIONAL RULE COMPLIANT

Kirker's Synthetic Enamel paints are easy to apply, offering a durable, beautiful finish designed to stand up to the everyday abuse endured by commercial vehicles and heavy equipment. Long-lasting color retention plus high build combine to make this a fine line of synthetic enamel topcoats.

Can be used with or without optional hardener for further improved durability and faster drying. SYN-GLO provides exceptional value. This economical system is available in 13 popular pre-mixed, factory packaged colors.
